Dear Volunteer,

Welcome to the Helen's Trust volunteers' handbook, which I hope you find useful and informative, as a point of reference during your valuable and vital work for the charity.

I first became aware of Helen's Trust, and the sterling work done by the charity, whilst living in Yorkshire. Since moving to Chatsworth in 2006 I have seen at first hand the wonderful energy and dynamism of the Helen's Trust team. Their enthusiasm is infectious and is reflected in you, and all the other volunteers, who selflessly give their time and commitment to Helen's Trust, for the good of the local community.

The impact of Helen's Trust on those it helps spreads far and wide, easing difficult times for friends and family. We need only remember the story of Helen Louise Lyon to remind ourselves of why it is so important to sustain this charity, and secure the long term future of the services provided by Helen's Trust.

Thank you for your continued support.
